**19****Exercise 5: Authority**

In this lesson we will consider what the Bible teaches about authority. This is one of the most important, foundational truths within the scriptures. In the religious world today, mankind has established many different sources of authority. Ultimately when we study with others about this subject, we want to help them understand why we practice what we practice from a spiritual perspective and also teach them what must guide us spiritually in our day-to-day lives.

To assist you in your study of this subject, read the article, “Bible Authority, a Closer Look” found on our web site, [www.biblequestions.org](http://www.biblequestions.org) under the section on “Authority-Articles.” Also, refer to Lessons 3-6 where this subject was covered in detail
