

SPIRITUAL OBSERVATIONS ON

A Need for Caution AND Discussion

- ⦿ Highly polarized political environment overall
- ⦿ Highly divisive/emotional topic in particular depending on one's background/experiences
- ⦿ Dangers of misrepresentation, exaggeration, and the claims/actions of alleged leaders, supporters, and opponents
- ⦿ Many political movements have scriptural/spiritual elements (Women's Rights, Gay Rights, Abortion Rights, etc.)
 - This one is no exception

Sexual Expression

We are guided by the fact that all Black lives matter, regardless of actual or perceived sexual identity, gender identity, gender expression, ... We make space for transgender brothers and sisters to participate and lead. We are self-reflexive and do the work required to dismantle cisgender privilege and uplift Black trans folk, especially Black trans women who continue to be disproportionately impacted by trans-antagonistic violence. We foster a queer-affirming network. When we gather, we do so with the intention of freeing ourselves from the tight grip of heteronormative thinking, or rather, the belief that all in the world are heterosexual (unless s/he or they disclose otherwise)

The Family

We disrupt the Western-prescribed nuclear family structure requirement by supporting each other as extended families and “villages” that collectively care for one another, especially our children

The Family

FACT:

Four in 10 children are born to unwed mothers

The percentage of children born outside of marriage has skyrocketed, with a six-fold increase since 1960. Currently, the figure is highest among blacks, but the rate of increase is highest among whites and Hispanics.

Civil Government

Black Lives Matter co-founder Patrisse Cullors said in a newly surfaced video from 2015 that she and her fellow organizers are “trained Marxists” – making clear their movement’s ideological foundation

Cullors, 36, was the protégé of Eric Mann, former agitator of the Weather Underground domestic terror organization, and spent years absorbing the Marxist-Leninist ideology that shaped her worldview, Breitbart News reported.

... her “first political home” under the mentorship of Mann, ... had deep historical ties to the long history of anti-colonial, anti-imperialist, pro-communist resistance to the US empire, ... also expresses its appreciation for the work of the US Communist Party

What's the Scriptural Solution?

Is It...?

- Rioting, looting, vandalism, arson?
- Promoting sexual expression?
- Discriminating against the family?
- Defunding police?
- Pulling down monuments?

Or Is It...?

- Exercising civil rights & responsibilities?
- Sex restraint?
- Supporting families?
- Respect for authority?
- Love neighbor?

In short, the solution is ... Love God
